

R.L. Stevenson Fundraising Group has over 20yrs of funding the Dance program for Stevenson Elementary.

We want to give a big "THANK YOU" to all of you for making Stevenson Elementary one of a kind. With your donations and support, as a non-profit 501c(3), we have been able to maintain funding for our talented dance instructor, along with the dance program needs. We have also been able to fund curriculum enhancement programs, purchase items such as student iPads, software programs, and so much more. Please know that your support for the students and school is greatly appreciated!

Please reach out for any volunteer opportunities, to be a part of the fundraising team, to assist with events, and to help with new fundraising ideas.

Please visit our registration link at <https://rlsfundraising.org/index.php/about-us/registration-information/> to find out information on  
Opt-in communication forms,  
Signing up to become a PAL,  
Parent and Business Partner prices and details,
